CASE 04 · 0 → 1 · ESIM WEB APP

NO BRAND · NO ACCOUNT

ONLINE BEFORE YOU LAND

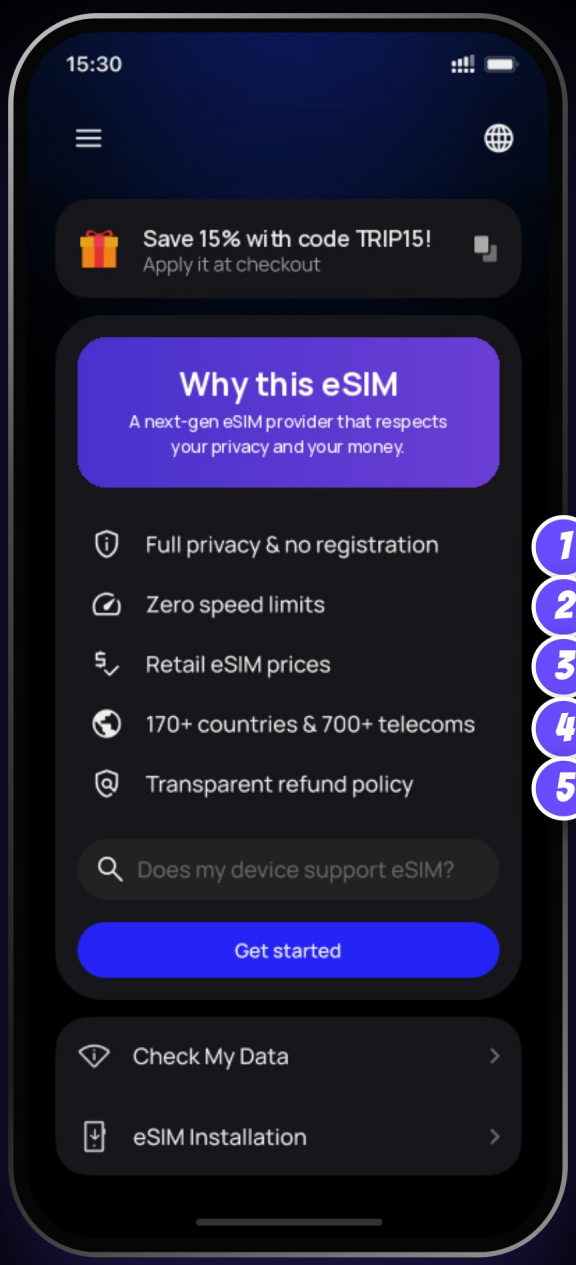

A MOBILE WEB APP: ***PICK A DESTINATION, PICK A PLAN, PAY, SCAN****. NO ACCOUNT, NO APP STORE.*

DESIGNED FROM ZERO, END TO END: ***FROM CUSTOMER RESEARCH TO MVP VALIDATION****.*

SENIOR PRODUCT DESIGNER · CONCEPT APP, 0 → 1

WHY A SECOND SHOP

WHAT THE DATA SAID

*ANALYTICS SHOWED MANY USERS **LEAVING FOR THE CHEAPER SEGMENT** OF THE ESIM MARKET.*

THE TASK

*BUILD A LIGHT ANALOG **WITHOUT THE MAIN BRAND AND WITHOUT REGISTRATION**, FOR FAST PURCHASE OF CHEAPER PLANS.*

WHAT THE FIRST SCREEN PROMISES

1. ***FULL PRIVACY** AND NO REGISTRATION*
2. *ZERO SPEED LIMITS*
3. *RETAIL ESIM PRICES*
4. *170+ COUNTRIES AND 700+ TELECOMS*
5. *A TRANSPARENT REFUND POLICY*

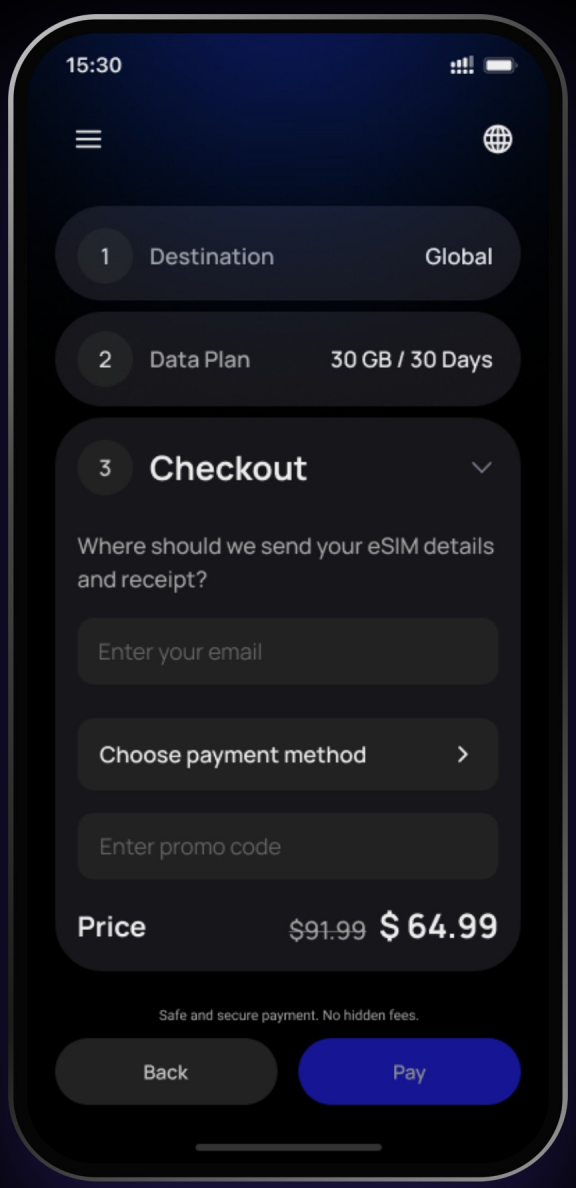

*BEFORE ANY CHOICE, ONE HONEST QUESTION RIGHT ON THE HOME SCREEN: **"DOES MY DEVICE SUPPORT ESIM?"***

*THEN TWO SHORTCUTS FOR PEOPLE WHO ALREADY BOUGHT: **CHECK MY DATA** AND **ESIM INSTALLATION**.*

*SAME NEED, A LIGHTER DOOR. **NO BRAND TO TRUST, NO ACCOUNT TO MAKE.** JUST DATA.*

NO ACCOUNT. JUST AN EMAIL.

CHECKOUT ASKS ONE THING ABOUT YOU

THE DECISION

*NO REGISTRATION AT ALL. THE ONLY PERSONAL DETAIL IS **AN EMAIL**, SO THE QR CODE AND THE RECEIPT HAVE SOMEWHERE TO GO.*

*NO PASSWORD, NO PROFILE, **NO SIGN-UP STEP** ANYWHERE IN THE FLOW.*

*IT OPENS IN THE BROWSER FROM A LINK: **NO APP STORE, NO INSTALL**.*

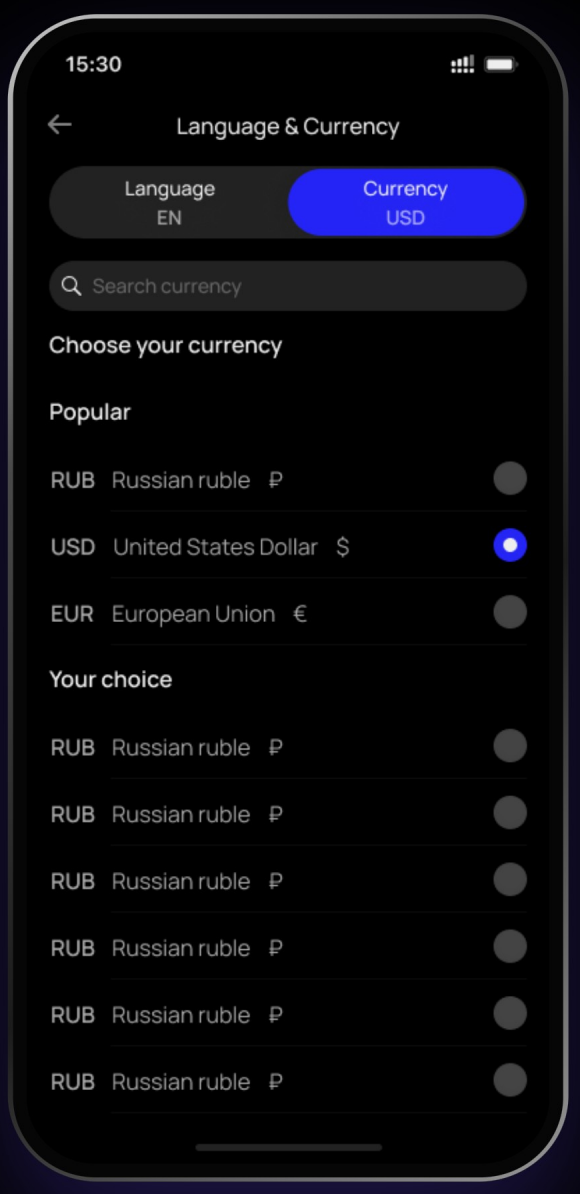

THE QUESTION IS ASKED IN PLAIN WORDS: "WHERE SHOULD WE SEND YOUR ESIM DETAILS AND RECEIPT?"

YOUR MONEY, YOUR LANGUAGE

*THE GLOBE ICON SITS IN THE HEADER OF EVERY STEP. IT OPENS **LANGUAGE & CURRENCY**.*

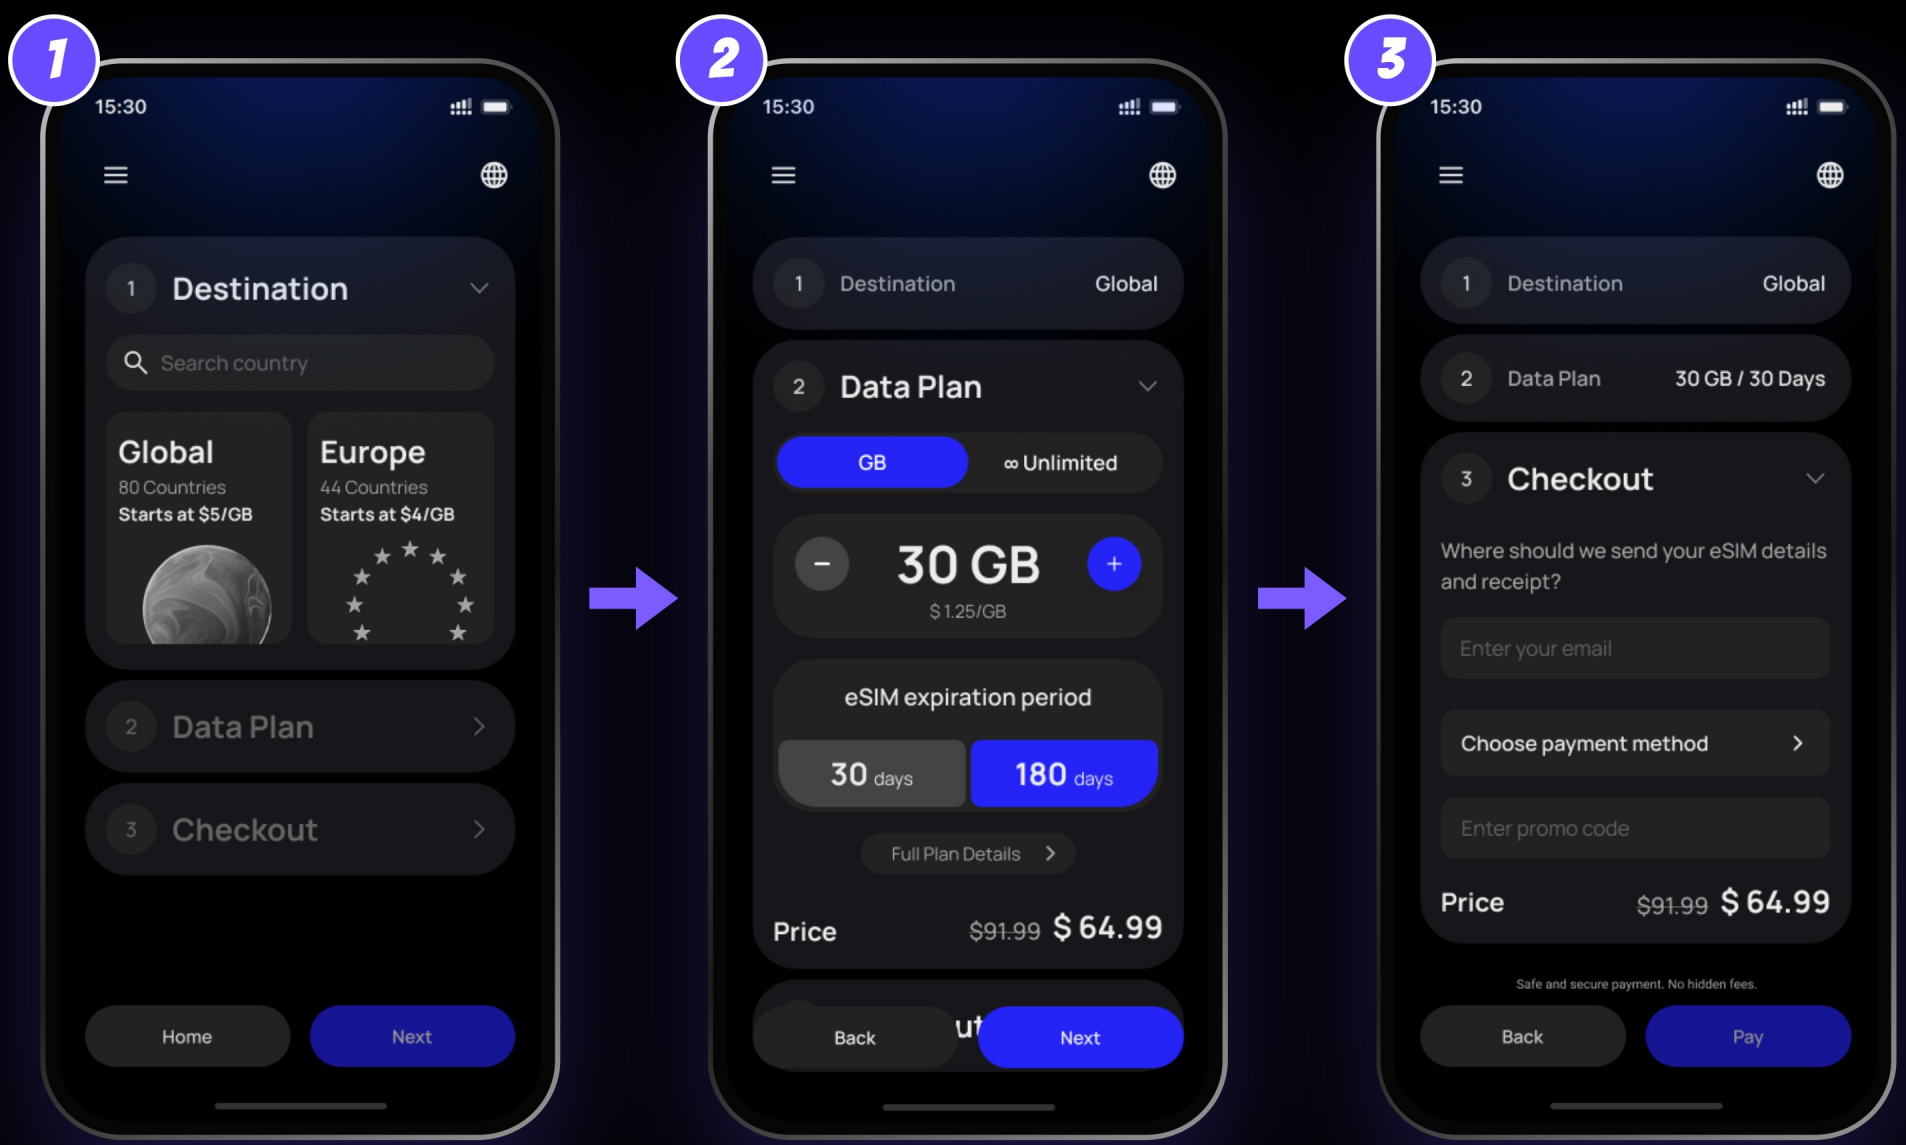

POPULAR CURRENCIES COME FIRST, THEN A SEARCH FOR THE REST.

LANGUAGE & CURRENCY, FROM THE GLOBE ICON

THREE STEPS, ONE SCREEN

DESTINATION *DATA PLAN* *CHECKOUT*

THE DECISION

*NO PAGE-TO-PAGE WIZARD. DESTINATION, DATA PLAN AND CHECKOUT ARE **THREE NUMBERED CARDS ON ONE PAGE**.*

*A FINISHED STEP FOLDS INTO A ONE-LINE SUMMARY: **GLOBAL · 30 GB / 30 DAYS**. TAP IT TO CHANGE.*

*ONLY THE CURRENT STEP IS OPEN, SO THERE IS **ONE THING TO DO** AT A TIME.*

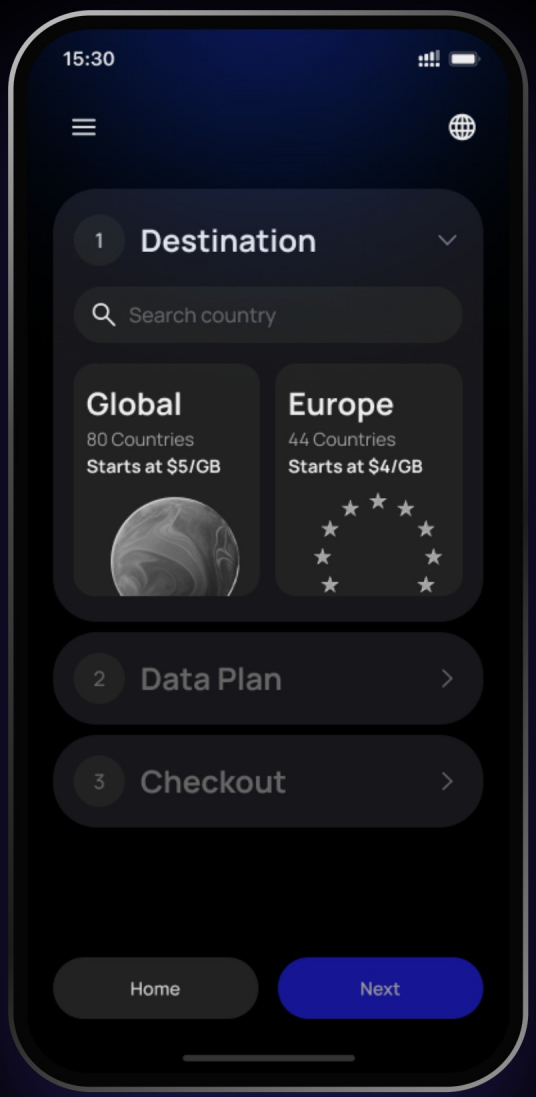

*BACK AND NEXT STAY PINNED TO THE BOTTOM, **UNDER THE THUMB**.*

*YOU ALWAYS SEE **WHAT'S DONE AND WHAT'S LEFT**. THAT'S THE WHOLE TRICK.*

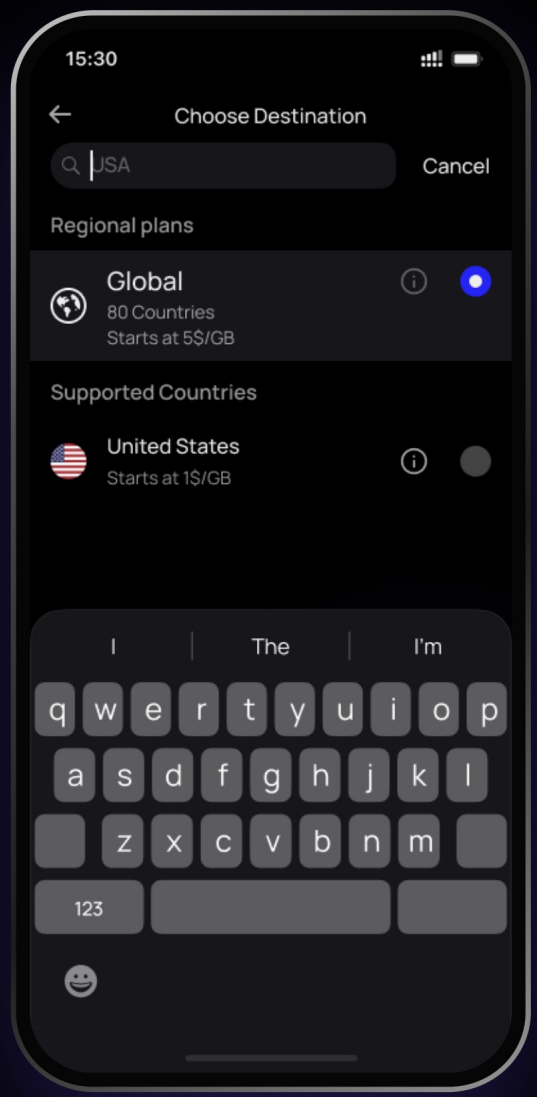

WHERE, NOT HOW

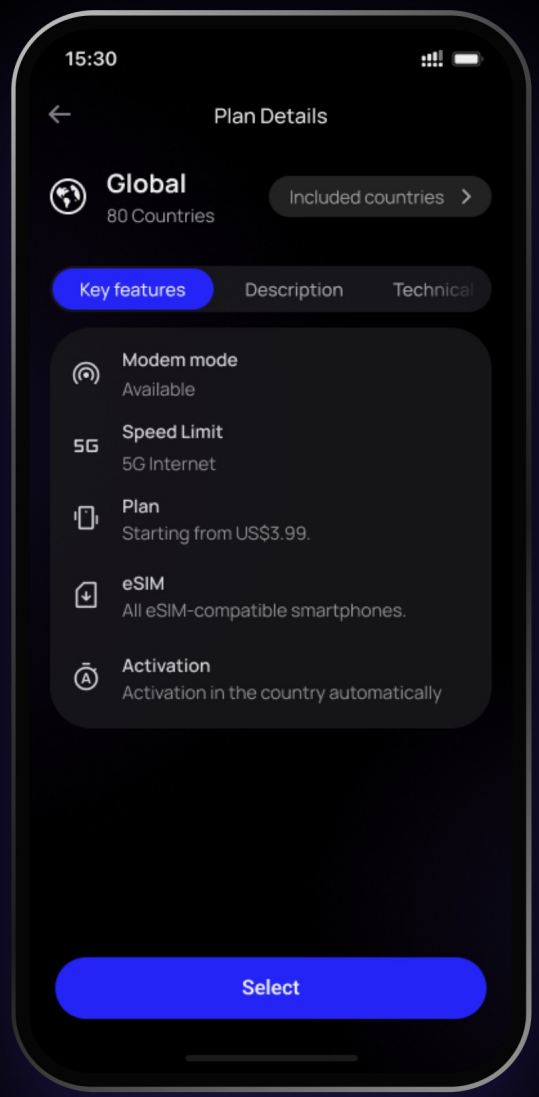

STEP 1 ASKS THE ONE THING A TRAVELLER KNOWS FOR SURE: WHERE THEY'RE GOING

TWO BIG ANSWERS FIRST

SEARCH: REGIONS, THEN COUNTRIES

THE INFO ICON: PLAN DETAILS

*MOST TRIPS ARE COVERED BY TWO CARDS: **GLOBAL** OR **EUROPE**, EACH WITH HOW MANY COUNTRIES AND A **STARTING PRICE PER GB**.*

*SEARCH SHOWS **REGIONAL PLANS FIRST**, THEN SINGLE COUNTRIES, EACH WITH ITS OWN PRICE.*

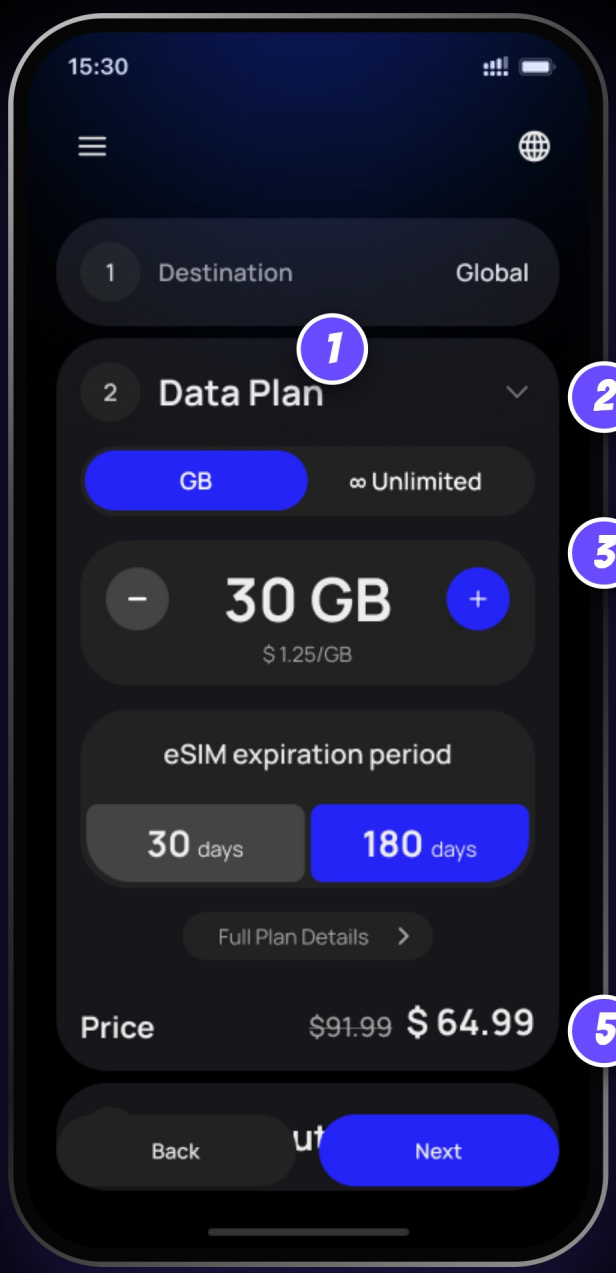

*THE INFO ICON OPENS THE DETAILS IN PLAIN TERMS: MODEM MODE, 5G, WHICH PHONES WORK, AND **ACTIVATION ON ARRIVAL**.*

*THE TRAVELLER PICKS A PLACE. **THE APP WORKS OUT THE PLAN.***

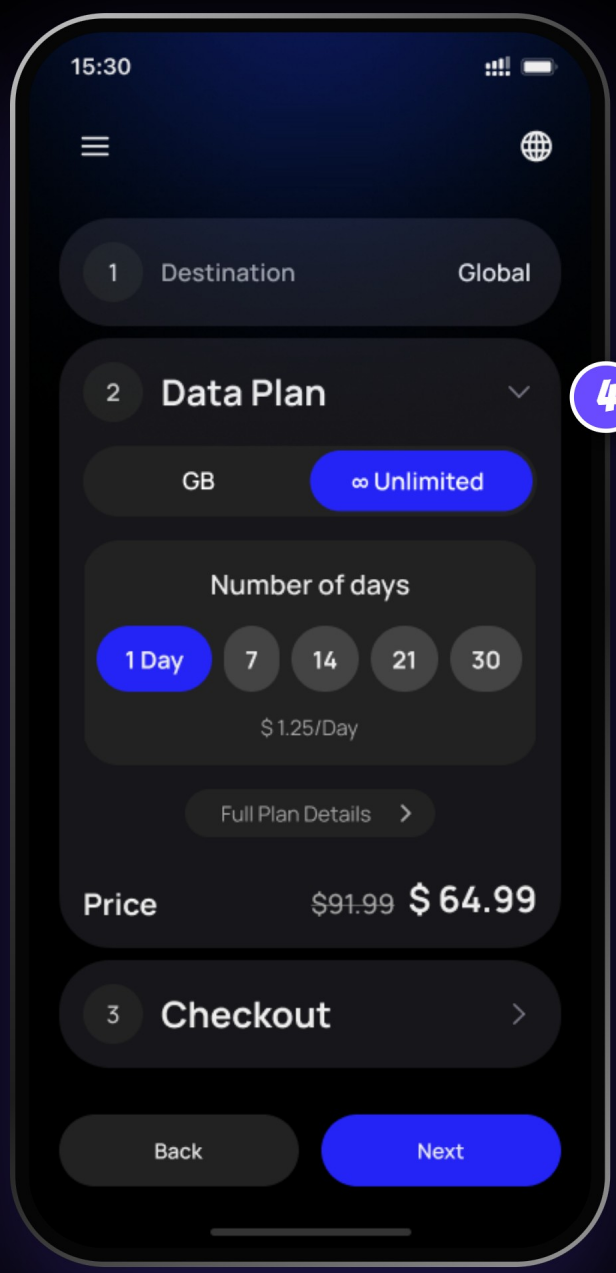

*NOBODY WAKES UP WANTING **"A REGIONAL DATA PACKAGE"**. THEY WANT ITALY.*

A PRICE YOU CAN DIAL

BY THE GIGABYTE

UNLIMITED, BY THE DAY

THE DIALS

1. *GB OR UNLIMITED:* ***ONE TOGGLE****.*
2. *A STEPPER FOR GIGABYTES, THE* ***PRICE PER GB*** *RIGHT UNDER IT.*
3. *VALIDITY: 30 OR 180 DAYS.*
4. *UNLIMITED: PICK THE DAYS, WITH THE PRICE PER DAY.*
5. *THE TOTAL, WITH THE OLD PRICE* ***STRUCK THROUGH****.*

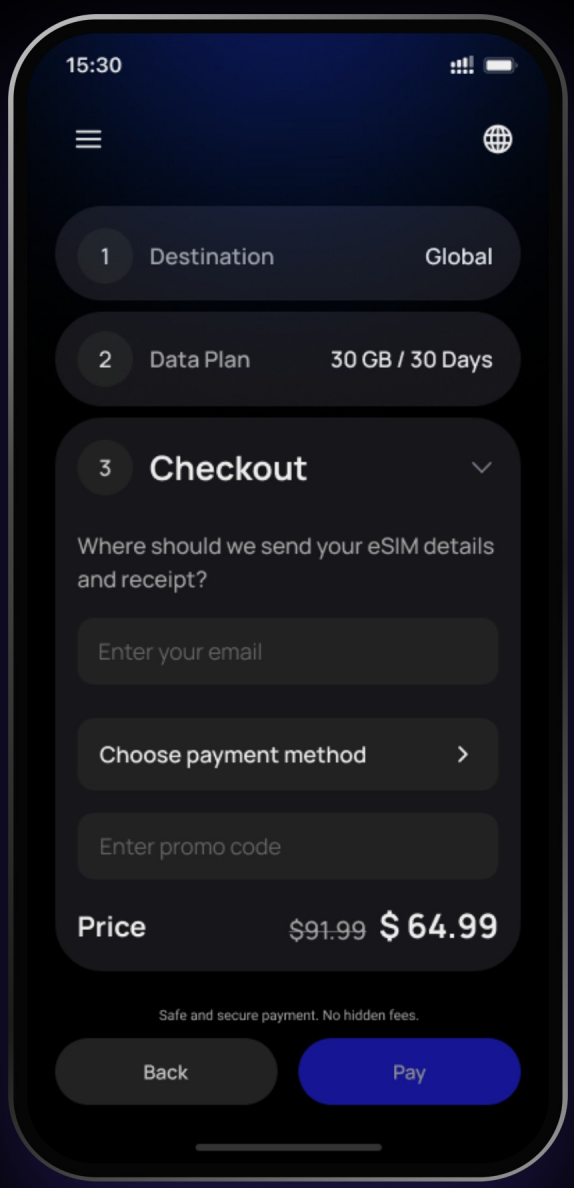

NO GRID OF FORTY PLAN CARDS. ***TWO DIALS AND A PRICE*** *THAT ANSWERS BACK EVERY TIME YOU TOUCH THEM.*

FULL PLAN DETAILS IS ONE TAP AWAY FOR ANYONE WHO WANTS THE FINE PRINT, AND ***OUT OF THE WAY*** *FOR ANYONE WHO DOESN'T.*

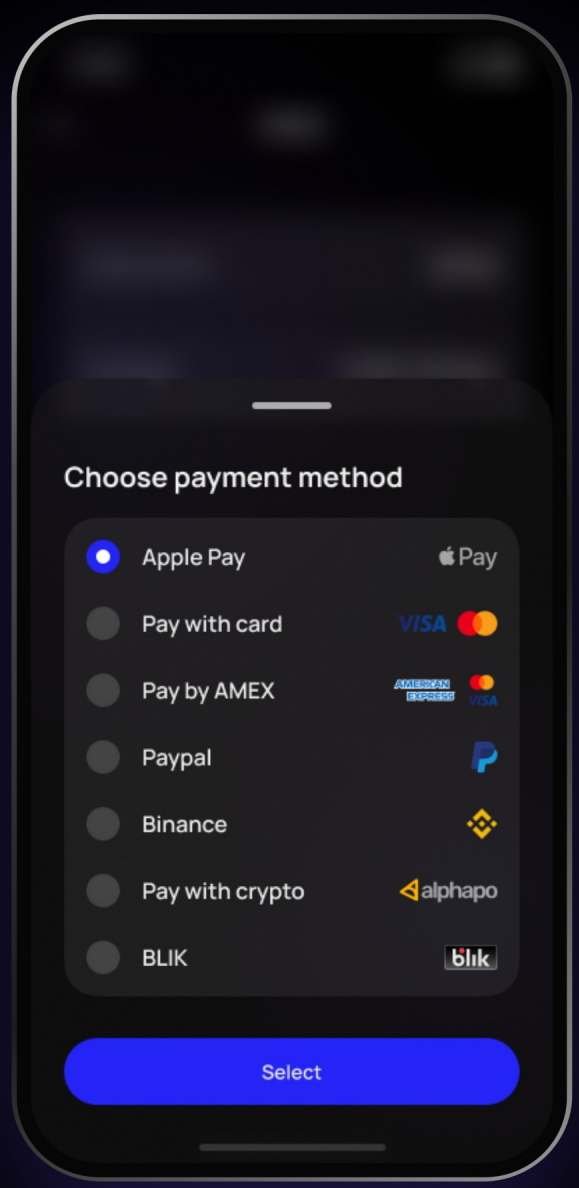

CHEAPER PLANS ONLY WIN IF ***THE PRICE IS OBVIOUS*** *BEFORE YOU'VE TYPED ANYTHING.*

PAY YOUR WAY

CHECKOUT

THE PAYMENT SHEET

HOW IT PAYS

*PAYMENT METHOD OPENS AS A **BOTTOM SHEET** OVER THE CHECKOUT. NOTHING IS LOST BEHIND IT.*

*THE PROMO CODE FIELD LIVES IN THE SAME CARD. A WRONG CODE IS SAID **IN RED, UNDER THE FIELD**.*

*ONE LINE UNDER THE PRICE: **"SAFE AND SECURE PAYMENT. NO HIDDEN FEES."***

SEVEN WAYS TO PAY, ONE LIST

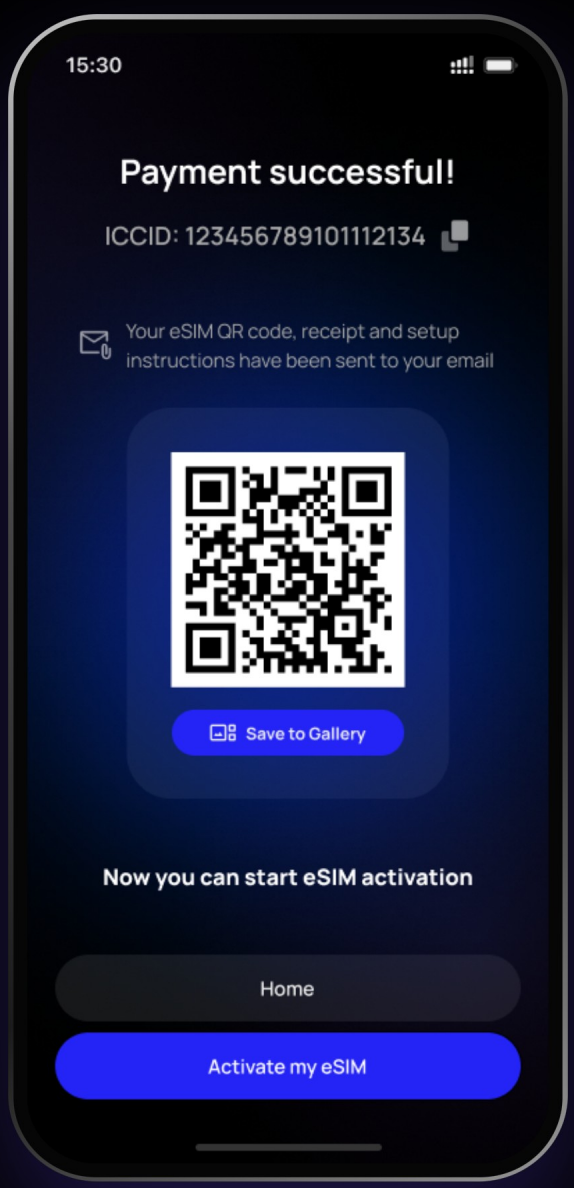

APPLE PAY | **CARD** | **AMEX** | **PAYPAL** | **BINANCE** | **CRYPTO** | **BLIK**

*TRAVELLERS COME FROM EVERYWHERE. THE CHECKOUT **MEETS THEIR WALLET**, NOT THE OTHER WAY ROUND.*

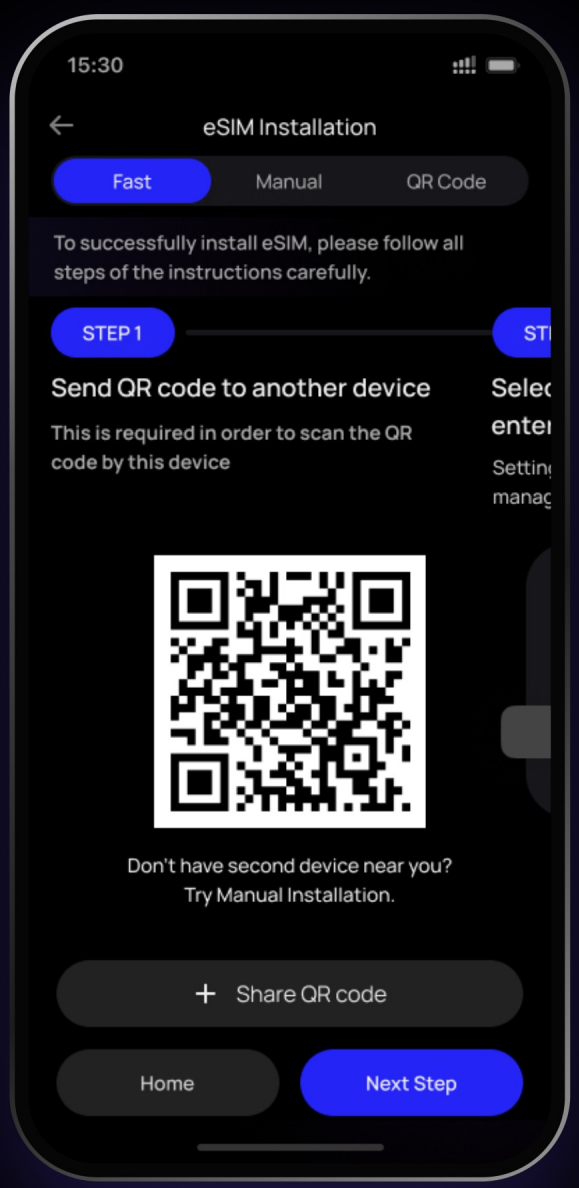

*THE CHEAPEST PLAN IS WORTHLESS IF **YOUR CARD ISN'T ON THE LIST**.*

PAID, THEN ONLINE

THE MOMENT AFTER PAYING

INSTALLATION, STEP BY STEP

AFTER THE MONEY

*THE SUCCESS SCREEN SHOWS THE **QR CODE RIGHT THERE**, WITH SAVE TO GALLERY.*

*THE ICCID SITS ON TOP WITH A COPY BUTTON. QR, RECEIPT AND INSTRUCTIONS **ALSO GO TO THE EMAIL**.*

*ONE BIG BUTTON: **ACTIVATE MY ESIM**.*

INSTALLATION

*THREE WAYS IN: **FAST**, **MANUAL** OR **QR CODE**, AS TABS AT THE TOP.*

FAST INSTALL WALKS ONE STEP AT A TIME, WITH A PROGRESS LINE ACROSS THE TOP.

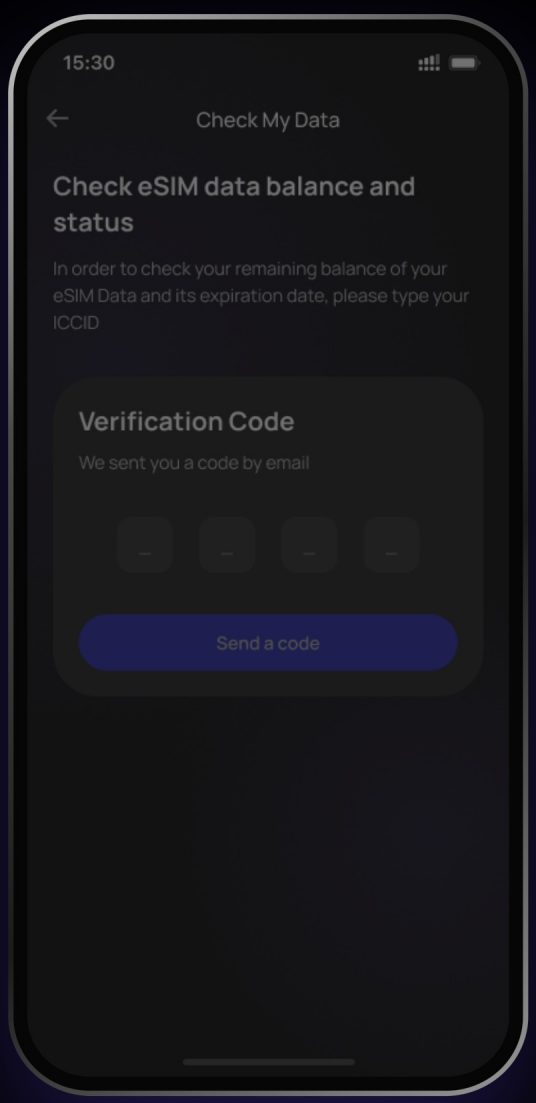

*BUYING ON THE SAME PHONE YOU'LL USE? **SHARE THE QR** TO A SECOND DEVICE AND SCAN IT THERE.*

*IF THE NETWORK IS SLOW: TURN ON FLIGHT MODE FOR 8 SECONDS. THE TIP SITS **IN THE INSTRUCTIONS**, NOT IN A HELP CENTRE.*

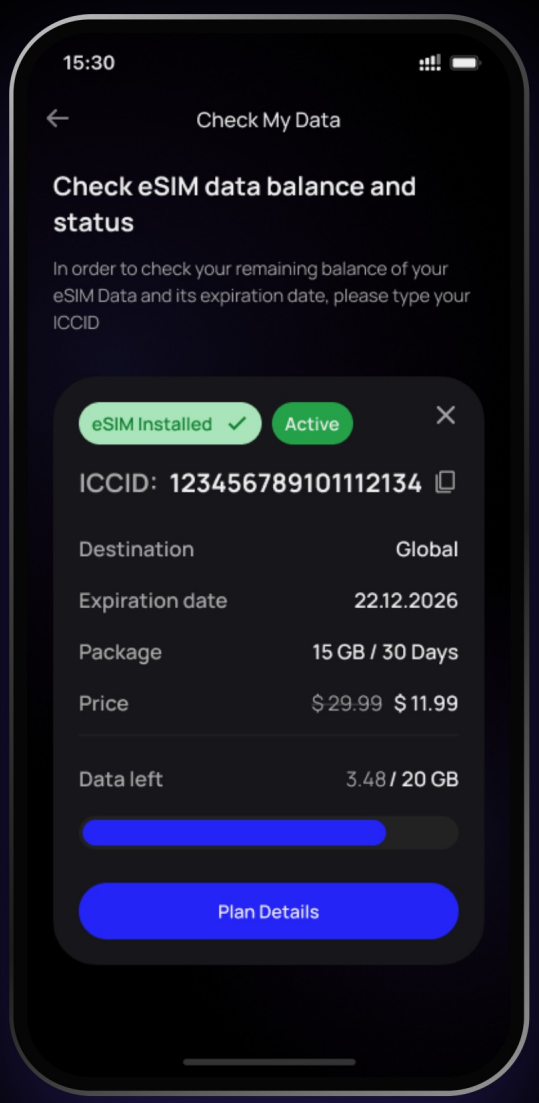

*RIGHT AFTER PAYING IS WHEN PEOPLE WORRY MOST. **SO THE QR IS ON SCREEN**, NOT JUST IN AN INBOX.*

CHECK YOUR DATA, NO LOGIN

ICCID, THEN A CODE BY EMAIL

THE ESIM, AT A GLANCE

WITHOUT AN ACCOUNT

*NO PROFILE TO LOG INTO. TYPE THE **ICCID**, CONFIRM WITH A **CODE FROM EMAIL**.*

*THE CARD ANSWERS THE REAL QUESTIONS: **IS IT INSTALLED, IS IT ACTIVE, HOW MUCH IS LEFT**.*

DESTINATION, EXPIRY DATE AND PACKAGE BELOW, AND A BAR OF DATA LEFT.

WHAT I BUILT, FROM ZERO

- ✓ ***CUSTOMER RESEARCH** THAT SHAPED EVERY CORE FLOW.*
- ✓ *DISCOVERY: DESTINATION FIRST, PLANS SECOND.*
- ✓ *PURCHASE: THREE STEPS ON **ONE SCREEN**, NO ACCOUNT.*
- ✓ *ACTIVATION: QR ON SCREEN, THREE WAYS TO INSTALL.*
- ✓ *AFTER-SALE: CHECK DATA WITH ICCID AND A CODE.*
- ✓ *THE CONCEPT APP, **END TO END, THROUGH MVP VALIDATION**.*

*NO BRAND, NO ACCOUNT, NO APP. **JUST A LINK AND DATA** BEFORE THE PLANE LANDS.*
